Discover the magic of the island's rural past in Binissuès In our show and our museums you can learn how people worked and lived more than 100 years ago, feed the animals, make traditional artisan cheese, discover the richness of the protected flora and fauna in the nature of our Biosphere Reserve and immerse yourself in our history and culture. One of the most fun experiences to do in Menorca during your family vacation, in one of the most beautiful natural settings on the island.
