Menorca Taximar is a service that combines transport and boat excursions to coves or beaches in Menorca. We give you the possibility of taking you to coves and beaches that are more or less famous but very difficult to access such as Escorxada, Macarella, Macarelleta, Trebaluger, Es Tamarins or el Moro. The boat excursion lasts approximately 30 minutes and the time to enjoy the beaches is just over 4 hours. After this time we will pick you up to return to port.
