**We are in the heart of Fornells, Menorca, where our restaurant La Guapa is located on a central and quiet street. We are dedicated to celebrating the flavors of the sea and land in every meal. Lobster and our lobster stew are the jewels in the crown, the essence of the Mediterranean. Fresh fish and seafood occupy a privileged place on our menu, offering our guests the authentic flavors of the island. For rice fans, we have a variety of rice dishes and paellas, each with a unique touch. And last, but not least, our top quality meat that leaves no one indifferent. Welcome to La Guapa.**
